GRAND VIEW — the address that whispers the sea Perched in El Paraíso Alto, this corner townhouse of 225 m², southeast-facing, is a poem of panorama: every room opens onto the Mediterranean and the iconic silhouette of La Concha. Set within a gated, monitored community where three pools nestle among pine and greenery, the property strikes a rare balance of security, privacy and breathtaking views. The ground floor welcomes you with a generous living area anchored by a fireplace, flowing into an open kitchen with island and a bright dining space. Panoramic windows dissolve the interior into a large terrace that frames sea and mountain vistas — perfect for golden breakfasts or evenings at sunset. A guest WC completes this level. Upstairs, the master suite is a private refuge with an en-suite bathroom and a large walk-in closet. Two further bedrooms share a generous bathroom; all bathrooms combine showers and bathtubs for everyday comfort. Built-in wardrobes and expansive terraces with panoramic views add practical elegance. The garden is an outdoor living room: a designed barbecue area with stylish garden furniture, a chill-out corner, an outdoor shower and a six-person jacuzzi create an ideal setting for relaxation. The fourth bedroom is at garden level and features an independent entrance — a studio of approximately 45 m² with a kitchenette, seating area and a shower bathroom, perfect for guests, residents or short-term rental. A tourist license is in place. A private underground garage provides a large parking space with room for two cars and an adjacent storage room. Fully renovated in 2024, the home requires no further expense and is finished with high-quality materials — marble floors and staircase, travertine bathrooms and solid wood interior doors and wardrobes. The property is also notable for generous storage throughout. Comfort features include solar panels for hot water, air conditioning with heating and cooling, a fireplace, garden irrigation and outdoor lighting.
