### Clever layout:

- Ground floor: An open, bright kitchen with large windows and worktops, fully equipped with modern appliances. Adjacent you will find a cosy living/dining room with wood-burning stove, a guest toilet/laundry room and a spacious storage room. The living room gives access to a large covered terrace with a private pool, barbecue area and panoramic views.

- First floor: Three spacious bedrooms, including a master suite with walk-in wardrobe and en suite bathroom. This floor features an additional living area, ideal as a reading or TV corner. There is also a stylish bathroom with shower.

- Loft: this offers an open mezzanine and two multi-purpose rooms that can serve as additional bedrooms, playroom or hobby room.

- Two independent entrances, making it easy to separate the ground floor from the rest of the house.

### Sustainability:

Thanks to the photovoltaic system (8 panels), the house is self-sufficient in electricity which means significant savings in energy costs.

The house is fully registered and connected to the municipal water network.
