The other two bedrooms, ideal for family or friends, share a full and well-equipped bathroom. On the attic floor, you will find a fourth bedroom or the possibility to create a private office, with its own en-suite bathroom (also with underfloor heating), and the luxury of having two terraces, one facing East and the other West. Both offer open views to the urbanization and surrounding mountains, providing a spectacular panorama to enjoy sunsets and the tranquility of nearby forests. With a corner orientation towards the East, West, and North, the property enjoys sunlight both in the morning and in the afternoon, giving you the best sunsets on the Costa del Sol. Imagine relaxing on one of the four beautiful terraces, with views of nature, as the sky is painted in golden and pink hues. Three high-efficiency air conditioning units, one for each floor, along with new windows with thermal bridge breakage, ensure optimal comfort throughout the interior, maintaining the perfect temperature year-round. The Urbanization Altos de Salamanca offers 24-hour security, providing access to a beautiful and well-maintained communal garden, as well as the main swimming pool, offering a serene and pleasant environment.
