Costa del Sol, Cabopino

This is an attractive house located in gated complex on the edge of Cabopino Golf course while also being only 10 minutes walk to the beaches and port of Cabopino. Originally a TWO bedroom house this house has been cleverly converted to include a third bedroom and third bathroom on the basement level also with air conditioning. What we like about this house is the amazing golf view that almost feels like a painting and the south westerly orientation ensuring lots of afternoon sunshine. From the 1st level and from the solarium one has great sea views.
