The outside of the house will be painted completely white in 2025.

Cerros del Águila is an area in Mijas Costa, a 10-minute drive from the beach. The urbanisation is quiet, with Spanish residents and newcomers of other nationalities.

The area has a small supermarket, restaurants, and a large common area consisting of a playground, tennis court, and a swimming pool with a children's pool. The tennis court and playground are available all year round.

According to the plan, a larger park called Gran Parque de Mijas will be built in 2023. It is going to be the biggest park in Málaga province.
