The apartment is in a gated community and is in a high location within the complex giving fantastic views of the sea, the valley and "La Concha" mountain. The distribution is easy and practical with the kitchen on the right as one enters, and the living-dining room and terrace on the left. The bedrooms are alongside with one bathroom with access from the passageway so it may be used by guests and the other bathroom is ensuite in the master bedroom. The floor has been changed by a new floor and a heating system by gas has been installed. Also new showers have been made in the bathrooms.
