Costa del Sol, Estepona

Just a few steps from the sea and the scenic coastal path, nestled within one of Estepona's most exclusive and tranquil enclaves, lies this beautifully renovated Mediterranean-style villa. Exuding timeless elegance and contemporary comfort, the property sits on a generous plot of approximately 1,200 m² and offers a constructed area of around 380 m², spread across two floors plus a rooftop terrace boasting sweeping views of the Mediterranean. Designed to capture the essence of coastal living, the villa features four spacious bedrooms-each with its own en suite bathroom-two located on the ground floor and two on the upper level. A guest toilet adds additional convenience. At the heart of the home lies a serene interior courtyard, a sanctuary of light and calm that harmoniously connects all living areas and invites quiet reflection. The semi-open kitchen flows seamlessly into this central space, fostering a natural dialogue between indoor elegance and outdoor leisure. Sophisticated marble flooring and carefully selected furnishings contribute to an ambiance of understated luxury. Outside, a lush, mature garden filled with tropical and Mediterranean flora surrounds the villa. Shaded terraces and covered porches offer the perfect settings for al fresco dining or tranquil lounging, while a private swimming pool provides a refreshing retreat. Additional features include air-conditioning, a fireplace, guest toilet, security system, green views, a garage, and three outdoor parking spaces. The villa is equipped with a modern heat pump for energy efficiency, and an energy certificate is currently in progress. Constructed in 1983 and recently refurbished to a very high standard, the property also benefits from a furnished interior and a convenient laundry area. This is a rare opportunity to own a refined residence that effortlessly blends privacy, style, and proximity to the sea-ideal for those seeking the true Mediterranean lifestyle in one of the Costa del Sol's most desirable locations.
