Built with premium materials and designed for refined living, the villa features generous living spaces, five elegant en-suite bedrooms with floating oak floors, and spectacular views from almost every corner. The upper level welcomes you with a double garage and three bright bedroom suites, including the impressive master suite with sweeping Mediterranean views, a walk-through dressing room, and a luxurious en-suite bathroom complete with a standalone bathtub and separate shower. Two additional suites enjoy views of the sea and mountains, while a spacious solarium crowns this level, offering uninterrupted panoramic vistas. The main level is dedicated to contemporary open-plan living, framed by floor-to-ceiling windows that flood the space with natural light and seamlessly connect indoors with the surrounding landscape. Expansive sliding doors lead to a large terrace, ideal for outdoor dining for up to twelve guests while overlooking the Mediterranean. This level also includes a stylish gas fireplace, guest toilet, and a fully fitted kitchen with Silestone worktops and high-end Miele appliances, complemented by an outdoor laundry area and a charming garden.
