The villa is divided into two fully independent units, making it perfect for large families, hosting guests, or providing versatile accommodation options. Each level has been carefully planned to create a distinct and functional living environment. The upper floor features a bright open-plan living and dining area, a modern kitchen, and access to a covered terrace that can be enjoyed year-round. This level also hosts three spacious en-suite bedrooms, all designed to offer privacy and comfort. From here, you can enjoy views over the swimming pool. The lower level opens onto a beautifully maintained garden with a lush lawn, where you'll find another open-plan living, dining, and kitchen area. These suites are exceptionally spacious and include additional lounge areas for relaxation, creating a self-sufficient and versatile living space. Altogether, the villa offers two full living rooms, two kitchens, eight spacious bedrooms, and eight modern bathrooms. The outdoor areas are one of the property's standout features. A private, south-facing swimming pool, jacuzzi, and a terrace shaded by a bioclimatic pergola create an inviting atmosphere for relaxation and entertaining. The rooftop solarium offers panoramic views and all-day sun exposure, while the private garden adds a sense of peace and seclusion. Additional features include air conditioning, triple-glazed windows, a double garage, a carport, and ample parking space for several vehicles. At the foot of the picturesque village of San Pedro de Alcántara, with all the flavour of the ancient Andalusian charming villages, is the enclave of San Pedro de Alcántara Beach, currently connected to Puerto Banús by a beautiful promenade lined with tall palm trees and golden beaches offering renowned restaurants and exclusive beach clubs. In this residential area, quiet and well developed, wide avenues communicate the surrounding area of newly built apartments and small villas with Andalusian accent.
