## Costa del Sol, Fuengirola

A Modern Home for Everyday Living with Resort-Style Comfort in Higuera

### A Home That Opens Up to Nature

As you enter the apartment, you are immediately met by large floor-to-ceiling windows framing the surrounding greenery. The sense of openness sets the tone right away, with the landscape becoming part of the home from the very first step inside.

The kitchen, dining, and living areas are arranged in an open layout. The kitchen is designed as a centre of the home, making it easy to cook while still being part of conversations and shared moments. The living area continues the flow, with generous openings towards the terrace that allow the interior and exterior to connect when the doors are fully opened. From here, the terrace extends the living space. It has views over the pool area and the surrounding green landscape, offering an open outlook that connects the home to its surroundings. The terrace is generously sized and enjoys sun throughout the day, making it suited for everyday living, outdoor dining and entertaining guests.

### A Private and Comfortable Primary Suite

The master bedroom includes a freestanding bathtub, an en-suite bathroom with double sinks, built-in wardrobes, and direct access to the terrace. The two additional bedrooms also include built-in wardrobes and are designed to work equally well as family rooms, guest rooms, or home office spaces. A second bathroom serves these rooms. The entire apartment is fitted with individual air conditioning in each room, allowing the temperature to be adjusted in every space. Included are two private parking spaces, one equipped with an electric vehicle charging point, and a large storage room.

### A Home Ready to Move Into

The apartment is furnished in a clean, modern style and is ready to move into, offering a home where you can settle in immediately and make it your own. Completed in 2025, the apartment is brand new and has never been lived in. It is constructed with high-quality, carefully selected materials that reflect a modern and durable design, ensuring both comfort and long-term quality for its first residents.

The Higuera area offers restaurants, cafés, and walking paths in nature within easy reach. Residents benefit from a complimentary shuttle service, making trips to the beach simple.
