Situated in a quiet and secure residential area, the villa is just minutes away from the most renowned golf courses on the Costa del Sol, international schools, gourmet restaurants, and the vibrant social and commercial life of Puerto Banús. It is perfectly located in an enclave that combines serenity and accessibility. Every corner has been thoughtfully designed for those who value sophistication, privacy, and an exclusive lifestyle in one of Marbella's most sought-after residential areas.

EXTERIOR

The meticulously designed tropical garden surrounds the property with palm trees and flowers that evoke peace and harmony. Various relaxation chill-out areas and terraces are integrated across multiple levels, offering great views over the golf valley. The terraced exterior design allows for spaciousness and privacy while maintaining a close relationship with the natural surroundings, providing an oasis of calm and exclusivity. Additionally, the property includes three outdoor parking spaces.

INTERIOR

The sloping ceilings and large windows flood the spaces with natural light. The interior design combines clean lines and natural finishes in neutral tones with noble materials, creating an atmosphere of serene elegance. The villa features five carefully decorated bedrooms and six modern bathrooms, five of which are en suite. On the upper floor, the impressive master suite is a private retreat with a spacious wooden walk-in closet, glass doors, and windows that offer open views of the golf valley.

The lower floor offers an independent apartment with its bathroom and kitchen, ideal for guests or staff.
