Valle del Guadalhorce, Alhaurín de la Torre

Wonderful detached two-storey house located in the very heart of Alhaurín de la Torre — ideal for those seeking space, privacy and a prime location.

The property boasts an impressive 20-metre façade facing two streets, with two separate entrances, offering convenience and multiple possibilities.

On the ground floor, you will find a cosy living room, an independent kitchen, two bedrooms and a full bathroom. The upper floor, accessed via a wide and comfortable staircase, features three bedrooms with built-in wardrobes and a second full bathroom — perfect for large families, guests, or a home office.

The house is set in the centre of the plot and surrounded by a charming garden with fruit trees — orange, lemon, cherimoya and others — providing natural shade and character. There is ample space to build a swimming pool, creating a private oasis.

The property also includes a separate garage, a spacious laundry room, a storage room and an underground water tank (cistern), adding practicality and extra storage.

Excellent location within walking distance of the town centre, with all essential services nearby: supermarkets, schools, public transport, green areas and the municipal sports complex.
