Costa del Sol, Marbella

House with sea views next to Cabopino Golf | 10 min walk to the beach | Community of only 5 homes

A very rare opportunity in Artola – Cabopino.

The property is situated in a privileged environment, surrounded by the Cabopino Golf Course.

Furthermore, it is located just a 10-minute walk from the beach and the Cabopino Marina, one of the most pleasant places on the Marbella coast.

The combination of sea, golf, nature, and a low density of neighbors makes this home particularly attractive and difficult to find today.

The House

The house is distributed over two floors plus a large private solarium, offering comfortable spaces both indoors and outdoors.

From the living room, there is direct access to the garden and the pool, creating a perfect atmosphere for enjoying the Costa del Sol climate all year round.

Being a corner property, it benefits from greater luminosity, more privacy, and a very pleasant sense of spaciousness.

For much of the year, the pool and gardens are enjoyed almost privately, thanks to the community consisting of only five neighbors.
