The property combines contemporary architecture, excellent natural light, and a seamless indoor-outdoor layout, making it ideal both as a lifestyle home and as a secure investment.

One of the true highlights is the spacious private rooftop solarium featuring a jacuzzi and breathtaking 360-degree panoramic views of the open sea and surrounding mountains – the perfect setting to enjoy the Mediterranean climate all year round. The elegant living area flows naturally onto a second generous terrace, creating a beautiful sense of openness and comfort.

The fully equipped modern kitchen offers clean lines and high-quality finishes. The apartment includes two comfortable bedrooms, two bathrooms, a utility room, and is sold completely furnished, allowing for immediate use or rental without any additional investment.

From the apartment, you have direct elevator access to your private storage room and underground parking space.

This newly developed resort-style community offers premium amenities such as concierge service, landscaped outdoor swimming pool, heated indoor pool, spa area, gym, and coworking space, features that significantly enhance both lifestyle quality and rental appeal.

### Location highlights:
