Costa del Sol, La Quinta

This exceptional 4-bedroom, 3-bathroom duplex has been reimagined to combine clean Scandinavian aesthetics with the relaxed elegance of Mediterranean living.

Every detail has been carefully considered, creating a home that feels both contemporary and inviting—where natural wood elements, a sculptural microcement staircase, and subtle stucco moldings bring warmth and character throughout.

At the heart of the home, an open-plan kitchen, dining, and living space unfolds seamlessly onto a sun-drenched, south-facing terrace. Here, uninterrupted views of the sea become part of everyday life—perfect for slow mornings in the light and evenings framed by unforgettable sunsets. Expansive windows flood the interiors with natural light, enhancing the sense of space and calm.

Set within a peaceful, beautifully maintained community, the property offers a tranquil retreat complemented by a charming communal pool.

Just moments from La Quinta Golf, renowned dining, and the vibrant energy of Marbella, this residence strikes a rare balance between serenity, design, and location.
