Costa del Sol, Benahavís

Apartment Oslo is a top-floor residence in La Quinta that offers exceptional views and refined living. The home features two bedrooms and three bathrooms across 110 square meters of space. Every area has been designed for comfort and ease, with an open layout that brings light into every corner. The large south- and east-facing terrace provides a seamless connection between indoor and outdoor living, perfect for relaxing or dining under the stars. Inside, clean lines and quality finishes define the apartment. Natural textures and handcrafted wooden furniture create warmth and harmony. The kitchen is equipped with premium appliances and a practical design that suits both everyday use and entertaining. Every room feels calm and balanced, following a Scandinavian style that combines elegance with simplicity. Located in the prestigious La Quinta community, Apartment Oslo offers privacy and access to world-class amenities. Residents enjoy proximity to golf courses, fine dining, and the golden beaches of the Costa del Sol. With secure parking and easy access to all essentials, this home blends modern luxury with a peaceful lifestyle — an ideal choice for buyers seeking comfort, style, and a timeless view.
