Charming beachside house for sale just 50 meters from the sea, located in the peaceful and well-connected area of Arroyo Vaquero, Estepona. This Mediterranean-style property offers an excellent opportunity for those looking for a coastal home with a private garden, generous indoor and outdoor spaces, and a flexible layout, all within a secure and characterful Andalusian community.

The house features a private garden of approximately 40 m², perfect for enjoying the sun, outdoor dining, or relaxing with family and friends. The total built area is around 160 m², including the basement, and is distributed over two main floors plus a lower level with independent access. On the ground floor, there is a bright and cozy living-dining room with a fireplace, a fully equipped kitchen, a laundry room, and a guest toilet. From the living area, you can access a covered terrace that opens onto the garden.

The first floor offers two en-suite bedrooms, including a master suite with access to a private terrace that enjoys partial sea views. There is a second terrace on the ground floor, making the outdoor space very versatile and accessible from various areas of the house. The basement level measures approximately 60 m² and features direct access to the garden as well as a separate entrance from the exterior, making it ideal for use as a guest apartment, second living room, home office, or entertainment area.

The property also includes convenient off-street parking directly in front of the house. It is part of a charming Andalusian-style gated urbanization with beautifully maintained communal gardens, a large swimming pool, and sports facilities such as a tennis court and a football pitch—ideal for families and active residents.

The location is truly privileged, just a short walk from the beach and the Senda Litoral, a coastal promenade that stretches over 20 uninterrupted kilometers toward Estepona. The surrounding area offers a full range of services, including supermarkets, private schools, golf courses, pharmacies, gas stations, and the newly opened high-resolution public hospital of Estepona.

This property is ideal for families, investors, or anyone looking for a primary or secondary residence with charm and potential in a well-established coastal area.
