Exclusive fully renovated top floor in the prestigious Jardines de las Golondrinas complex, in Elviria, just a short walk from the beach and next to the renowned Don Carlos Resort & Spa Marbella.

The property has been completely refurbished to the highest standards, with the renovation completed in February 2021. Every detail has been carefully selected to combine comfort with contemporary design, including dimmable downlights that allow you to create different ambiances.

The apartment features an elegant open-plan kitchen fitted with high-end appliances from Bosch, an integrated extractor hob, and a wine cooler. The living area is cleverly designed on two levels, subtly separating the lounge and dining areas and adding character and depth to the space.

From the living room, you access a cozy covered terrace seamlessly integrated into the space, perfect for enjoying al fresco dining all year round.

The complex is surrounded by lush tropical gardens and mature pine forests, offering a unique natural greenery setting. It ensures privacy and tranquillity, and is located just 150 meters from the sandy beach.
