Costa de la Luz, Sotogrande Alto

Mirador del Golf is a prestigious and very private development, composed of 20 exclusive apartments surrounded by native vegetation and beautifully landscaped gardens. Designed for those who value tranquillity, security and an exceptional quality of life, it enjoys a strategic location next to the emblematic Real Club de Golf Valderrama, in one of the most exclusive areas of Sotogrande.

This elegant apartment combines a functional layout with luxury finishes. Access is through a communal lobby with lift, and from the moment you step inside you are met with a pleasant sense of space, light and calm.

The spacious and bright living room includes a dining area and fireplace in an open and welcoming setting, extending onto a generous south-facing covered terrace. From here there are open views across the protected natural surroundings, the swimming pool and the community gardens. The terrace offers multiple possibilities: an al fresco dining area, a chill-out corner for reading and sharing, or simply a peaceful place to disconnect.

Next to the entrance hall, a guest toilet serves the living area. To the left, a built-in wardrobe addresses everyday storage needs, while to the right, the fully fitted Siemens kitchen is connected to a practical independent utility room.

The sleeping area is arranged along a hallway leading to three double bedrooms, all with en-suite bathrooms, fitted wardrobes and direct access to the terrace. The south-facing orientation and Schüco windows enhance natural brightness and the seamless connection with the outdoors.

Among its premium features:

- Underfloor heating throughout the property
- Smart home system for intelligent temperature and energy control
- Air conditioning with individual splits
- Porcelanosa finishes, marble and porcelain flooring, Schüco exterior carpentry
- Security shutters and Wi-Fi connection

The apartment is sold with two generous parking spaces, an additional spot ideal for a motorbike or bicycles, and a private storage room of 10 m².

The community offers 24-hour security, mature gardens, an outdoor swimming pool, gym, social lounge, children's play area and co-working space. An exclusive and secure enclave, just minutes from international schools, amenities and sports clubs.

A home designed for comfort, privacy and style, in one of the most peaceful and highly regarded areas of Sotogrande Alto.

Sotogrande is not just a location, it is a lifestyle. Championship golf courses, a world-class marina, beach clubs, equestrian centres, international schools and a cosmopolitan community make this a place where elegance, nature and wellbeing coexist in perfect harmony.
