Located just a short walk from the seafront promenade, this contemporary residence combines clean architectural lines, high-quality materials, and energy-efficient design, making it ideal for both permanent living and investment purposes.

The property has been thoughtfully redesigned to create a more spacious three-bedroom layout, improving flow and usability compared to the original configuration. One of the standout features is the large private terrace, offering multiple zones for outdoor living, dining, and entertaining. This space is ideal for enjoying the Mediterranean climate, with the potential to include features such as a private jacuzzi or chill-out area. Properties with generous outdoor areas are among the most searched real estate options on the Costa del Sol, particularly for international buyers.

The location adds significant value. San Pedro de Alcántara is known for its relaxed atmosphere, wide beaches, and excellent infrastructure. Within minutes, you can access Puerto Banús, Marbella town centre, top golf courses such as Guadalmina Golf, and a wide range of restaurants, beach clubs, and international schools. Nearby healthcare facilities and easy connections to Málaga Airport further enhance its appeal for both residents and investors.
